**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer of high speed internet from a small provider named Sonic. I have used all the larger providers and received terrible service and support. Sonic has been a huge savings. Please don't allow these huge providers like AT&T knock out companies like Sonic just because they have the money. We already have a few companies like Google, Facebook, Amazon and Twitter controlling us. Please let the smaller providers continue to thrive.
